Residential on 24.76 Acres

none, Killeen, TX

On more than 24 acres of wide-open Texas land, this estate is where luxury and peace come together. The views stretch for miles, and the only sounds youâ€™ll hear are the ones you chooseâ€”laughter by the pool, the crackle of the firepit, or the soft trickle of the backyard water feature. Life here moves at your pace, surrounded by space and privacy that most only dream of. The enormous covered patio is built for living outdoors, with a stone fireplace and a kitchen ready for summer cookouts, quiet mornings with coffee, or evenings entertaining friends as the sun sets over your land. Step inside, and the sense of custom craftsmanship continues, from striking stone walls to fine details like the baseboards that ground every room in style. The kitchen is the kind of place that makes cooking a joy, with granite counters, stainless steel appliances, a built-in wine fridge, and more than enough space for gathering around the island or breakfast bar. Even dinner feels like an event in the dining room, where a built-in aquarium adds life and beauty to the setting. When itâ€™s time to unwind, the theater room offers movie nights that rival the big screen, while the spacious ownerâ€™s suite promises rest and relaxation with a spa-like bath that features a corner jetted tub and dual shower heads in the separate walk-in shower. This property isnâ€™t about checking boxesâ€”itâ€™s about creating a life. One filled with quiet mornings, unforgettable evenings, and a home designed to celebrate

every moment in between.
