Meet the Adalynn—the one-story cutie that proves big style comes in the perfect size. With 3 bedrooms, 2 baths, and a flex room that adapts to your life stage (playroom? Peloton zone? Home office?), this home is all about options without the overwhelm.

Step inside to a welcoming foyer that leads to a front bedroom with walk-in closet and a full bath that also opens to the hallway and flex space. Bedroom 2 is tucked on the other side of the flex room with its own walk-in closet—perfect for siblings who need a little space or guests who need a lot.

The heart of the home is the open-concept living area, where a vaulted ceiling and big windows flood the family room with light. The kitchen overlooks it all with a center island for snacks, homework, and wine nights, plus quartz countertops, built-in appliances, a roomy walk-in pantry, and shaker cabinets with matte black hardware. Bonus: 12" LED over/under cabinet lighting so your kitchen looks just as good after dark.

The primary suite sits privately at the back of the home with tray ceilings, large windows, and a spa-like bath featuring double vanities, linen storage, and a huge walk-in closet

thatâ€™s ready for all the seasonal wardrobe hauls.

Extra perks? A double pull-out trash can in the kitchen (life-changing), black-framed windows for modern curb appeal, an oversized 2-car garage, exterior coach lighting, and stylish finishes with LVP, tile, and carpet throughout. And yesâ€”the covered outdoor living area is just waiting for twinkle lights and patio hangs.

The Adalynn is move-in ready this Novemberâ€”your new chapter starts here. Visit our brand-new Blackhawk models and ask about our current buyer incentives!
