3 Bedroom, 4.00 Bathroom, 2,599 sqft

Residential on 0.20 Acres

Westfield A, Austin, TX

Originally designed by renowned Austin architect David Shiflet, this one-of-a-kind home blends architectural integrity with thoughtful, modern updates. Tucked behind an 8-foot wall, a reimagined courtyard welcomes you into a private sanctuary, complete with curated landscaping, a tranquil fountain, and lush green space—setting the tone for the home’s seamless indoor-outdoor flow. Spanning 2,599 square feet, the layout features 3 bedrooms, 3.5 bathrooms, and a light-filled living area, grounded by imported terrazzo flooring throughout. Meticulously renovated in 2018–2019, the home honors its original spirit while meeting today’s standards of luxury. Custom red oak cabinetry and vintage lighting by Gaetano Sciolari and Palwa create a sense of understated sophistication, while marble-clad bathrooms and a wood-burning fireplace offer timeless elegance. Floor-to-ceiling windows bring natural light into every bedroom, each with an en suite bath. The primary suite features a walk-in closet, soaking tub, and walk-in shower, with marble extending across both walls and flooring for a seamless, elevated finish. A wall of sliding glass opens to the backyard—connecting the interior to the heated pool, hot tub, and surrounding landscaping. The design blurs the line between indoor and outdoor living, allowing natural light and serene views to flow throughout the space.

Recent upgrades include energy-efficient

double-paned windows and skylight, tankless water heater, HVAC system, and a new roof. A detached two-car garage sits at the front of the property. Located minutes from Lake Austin, downtown, UT, and Zilker Park, this architectural gem offers privacy, character, and convenience in one of Austin’s most desirable neighborhoods.
