Hey there, future homeowner!

Let me introduce myself—I'm 18401 Masi Loop, a home designed for comfort, natural light, and plenty of room for you to live your best life. With over 2,500 square feet, 4 bedrooms, and 2.5 baths, there's space for everyone and every occasion.

Step inside and you'll see sunlight pouring in through my bay windows, filling every corner with a warm, welcoming glow. My kitchen is ready for your culinary adventures, offering generous counter space, a central island, and a cozy breakfast nook to start your day right.

My great room stretches up two stories, freshly painted and showing off those soaring ceilings. The wood floors have been updated, and there's a fireplace ready to keep things cozy when the evenings get cool.

On the main level, I've set aside a tranquil primary suite just for you—two walk-in closets, a relaxing garden tub, dual sinks, and a separate shower. Comfort and convenience, all in one place.

Head upstairs and you'll find a spacious loft—perfect for movie nights, a play area, or just kicking back. Three more bedrooms and a Hollywood bath make sure there's space for everyone. Need storage? My walk-in attic

has you covered.

When youâ€™re ready for some fresh air, step out onto my oversized deck. Itâ€™s ideal for hosting friends or simply unwinding with a peaceful view.

Itâ€™m nestled in the Villages at Hidden Lake, which means you get the perks of the NE Travis Utility District, access to the community pool and playground, and beautiful Lake Pflugerville just a short stroll away. Ready to make new memories here?

Call my favorite agent, Gavin, to schedule a formal introduction. I canâ€™t wait to welcome you home.
