Woodhaven Cntry Club Golf Crse, Fort Worth,
TX

Crescendo Development is leading the transformation of the former Woodhaven Golf Course & Country Club, a 149-acre site in East Fort Worth, into a dynamic mixed-use destination. Through extensive community engagement and strategic planning, Crescendo successfully rezoned the property in February 2025 and is now advancing through the platting process, with project delivery anticipated by May for the commercial and residential sites. The development has received amazing feedback and attention from the press. Please visit www.crescendodevelopment.com for the latest updates on the platting process.

Crescendo is committed to preserving golf within the community while introducing new residential and commercial opportunities. The eastern 62 acres of the course is now available for purchase to create a premier golf destination on the east side. Contact Northern Crain Realty for more information on the project and the exciting opportunities at Woodhaven. Additionally, please visit www.crescendodevelopment.com for quick updates on Crescendo's platting process.
