Buffalo Acres 1, 2, & 3, Forney, TX

We welcome you to a gorgeous single-owner custom home on 1.62 acres nestled at the end of a cul-de-sac among other remarkable properties. It's perfectly designed for hosting, for multi-generational families, for an avid car collector, for someone who owns heavy machinery & needs a place to store everything, for someone who wants a beautifully manicured backyard that serves as a blank slate for one's own outdoor oasis, for any and everyone. The layout breathes fresh air & dappled sunlight into every corner, & the location of the study & primary bedroom & the four other bedrooms gives each person, each generation, their own little neck of the woods. The current owners are the ones who built the home; they had a quarter century to enjoy its delights & comforts & they're very proud of it.
