Highland Park 01 Instl, Highland Park, TX

Welcome to 3612 Crescent Avenue, a true Highland Park estate and one of the most distinguished homes ever offered in the neighborhood. Set on a rare 0.6-acre lot, the residence was brought to life by Sebastian Construction Group with architect Richard Drummond Davis and interiors by Deborah Walker and Betty Lou Phillips. The main residence offers seven bedrooms, seven full and two half baths, and an elevator serving all three floors. A 3,000-bottle wine room with dramatic floor-to-ceiling glass display from the study anchors the entertaining spaces, while an oversized three-car garage with capacity for lifts underscores the thoughtful design. Outdoors, grounds by Harold Leidner Landscape Architects frame the pool terrace and 1,539-square-foot cabana with nano doors and full bar. Above, a private guest residence offers tranquil accommodations. 3612 Crescent Avenue is more than a home - it is an enduring Highland Park legacy, embodying sophistication, scale, and the art of refined living.
