Residential on 1.76 Acres

Bella Flora, Fort Worth, TX

Set on 1.76 acres in the prestigious gated and guarded community of Bella Flora, this expansive home pairs architectural artistry with modern convenience. Rich details such as coffered ceilings, hand-carved wood accents, and dramatic beams create a home filled with character. The chef's kitchen is a true centerpiece, featuring granite countertops, a built-in stainless refrigerator, professional-grade gas range, walk-in pantry, and an expansive bar top with seating for multiple barstools—perfect for entertaining or casual dining. Designed for memorable gatherings, it offers a stately library, an elegant wine cellar, soaring vaulted ceilings, and a spectacular living room anchored by a floor to ceiling fireplace that feels both grand and inviting.

Walls of glass doors in the great room, living room, and primary suite blur the line between indoors and out, filling the home with natural light and framing serene views of your private retreat. Upstairs, accessed by both main and private staircases, you'll find a spacious game room or additional family room with built-ins, a balcony overlooking the backyard, and three private bedrooms, each with en-suite baths and walk-in closets.

The outdoor backyard rivals a resort with a saltwater pool, spa, full sports court, and a fully equipped outdoor kitchen and living area. An oversized four-car garage provides ample

space for vehicles, a boat, or recreational storage.
