Timeless architecture meets modern luxury. Welcome to 860 Edgefield Road – a one-of-a-kind new build in the heart of Fort Worth’s highly coveted Crestwood neighborhood.

Crafted by Cocoloba Homes, this 5-bedroom, 4.5-bath residence blends thoughtful design with exceptional livability.

Step inside and be greeted by a breathtaking curved staircase and a formal dining room highlighted by an Anna French mural wallpaper. The chef’s kitchen is a showpiece, featuring marble countertops, a 48-inch gas range, custom cabinetry, and an oak island with seating for six. A butler’s pantry with abundant storage and space for an additional refrigerator connects seamlessly to the dining room through a service hall. The kitchen opens into the expansive living room, anchored by a custom gas fireplace and detailed ceilings.

The main level also includes a primary suite retreat with spa-like bathroom and oversized closet, a flexible second bedroom or office, plus a mudroom and laundry with sink and storage.

Upstairs, three bedrooms each feature walk-in closets and are joined by a large playroom and secondary laundry room. From the upstairs balcony, enjoy sunset views over the Trinity

Trails â€” with direct access to miles of riverfront paths just steps from your door.

A covered patio overlooking the tree-filled backyard creates an ideal setting for outdoor entertaining. Rounding out the property are a two-car garage and an extra parking pad.
