Hunters Ranch, San Antonio, TX

This beautifully designed single-story home sits on an oversized homesite with no direct rear neighbors, offering both privacy and room to relax. The exterior showcases charming curb appeal with stone accents and board-and-batten detailing. Inside, luxury vinyl plank flooring flows throughout the open-concept main living areas, combining style and durability. The kitchen features rich steel gray-stained Shaker cabinets, white quartz countertops, an elegant herringbone tile backsplash, and stainless steel appliances-including a gas range, built-in microwave, and dishwasher. Tray ceilings throughout the home add architectural interest and a sense of spaciousness. The versatile front flex room is perfect for a home office, gym, or playroom, while the privately located primary suite offers a tranquil retreat with a glass-enclosed shower, double vanities, a private commode, and a large walk-in closet. Two secondary bedrooms are tucked away from the main living spaces in the heart of the home creating a thoughtful split layout that is both private and secure.
