Farm Ranch on 100.00 Acres

N/A, Von Ormy, TX

A rare opportunity to own a true piece of Texas history. This remarkable 100-acre property features a Spanish Colonial-style barn dating back to the 1700s, crowned with a standing seam metal roof, alongside a pole barn, cattle pens, and horse stalls. The land offers multiple water wells, outdoor arena, a stocked pond, river frontage, and a stunning bluff with panoramic views of the San Antonio skyline. The grounds are graced with massive live oak trees, perimeter ranch fencing, multiple private gated entrances, and excellent paved road frontage, just a few miles from the interstate. A unique stone pool, quarried from the property itself, and a charming guest house with loft, kitchen, and living quarters add to its appeal. The main home, built entirely of masonry, was among the first in the area to feature indoor plumbing. With original wood floors, multiple living and dining areas, several fireplaces, and a new metal roof, this shell awaits restoration to its original luster. Rich in history and character, this estate blends heritage and potential, an extraordinary chance to steward a legacy property unlike any other.
