Welcome Home to Comfort and Style
Nestled on a peaceful cul-de-sac with greenbelt views, this beautiful 3000+ sq. ft. home is designed for everyday comfort. The home offers thoughtful updates like LVP flooring throughout (2023), fresh interior paint (2023), a bright kitchen featuring granite counters, painted cabinetry, and a new gas stove (2025). A one-of-a-kind walk-in pantry with upgraded cabinetry and granite workspace will keep everything organized. Additional features include a new roof (2021), upgraded dishwasher and 2 A/C units. The spacious primary suite is downstairs, complete with a separate shower and soaking tub, plus a roomy walk-in closet. Upstairs you'll find three additional bedrooms, a loft area, and a full bath, giving everyone their own space to unwind. Outside, enjoy a covered patio and sprawling deck overlooking the greenbelt. The 3-car garage, partial sprinkler system, and front-and-back gutters make maintenance easy, while extras like the intercom system, whole-house water softener/filtration system (2022), and new water heater (2023) show this home has been well-cared for.
